AGE RANGE: 40 - 50 yrs

MOMENTS. CAPTURED. MEMORIES. CREATED.

John Raynar possesses a deep baritone voice, that can range anywhere from commanding and confident, to the conversational guy-next-door.

He has worked on hundreds of VoiceOver projects for clients all across the globe in the commercial, narration, radio, trailer and PA announcing sub industries.

John's talents have been recognized internationally, as he was nominated for the prestigious - Marconi Radio Award - in both 2021 and 2023.
